EZBanker Instructions

EZBanker, 24-hour telephone banking, is another great way to stay in touch with your accounts. You simply call 1-855-EZBANKER, toll free, and follow the options.

Save 1-855-EZBANKER (1-855-392-2653) in your cell phone so you'll be ready to call!

What You'll Need When You Call...

You will need your First Pekin Savings Bank (A Division of Marion County Savings Bank) Account numbers along with your Personal Identification Number (PIN). Your initial PIN is the last four digits of your Social Security Number. You must change your PIN to something that is secure and easy to remember. Just call 1-855-EZBANKER (1-855-392-2653) and follow the menu options as described below:

You will press option 1 for account information, then enter your account number followed by the # sign, then identify the account type for the account number you entered, then enter your PIN followed by the # sign. Press option 9 to change your PIN. After changing your PIN, return to the main menu for menu options.

If you need help, instructions for new users are available by pressing option 4 from the main menu. Or, stop by the bank and we can show you how EZBanker works. You should have access to all of your FPSB accounts from EZBanker. Let us know if you do not have access to all of your FPSB accounts.

We recommend that you write your FPSB account numbers on your EZBanker wallet card. You will find it easier to use this convenient service if you keep your account numbers handy.

How to Change Your PIN...

In the event you forget your PIN, you can call the bank at 309-347-3106 to request a new PIN. You can change your PIN anytime from within the system. This option is available under the account menus. For example, in the Checking menu options, you can press option 9 to change your PIN number. A similar option is available under the Savings menu option.

Keep Your PIN Confidential...

It is important that you keep your PIN confidential. You should memorize your PIN. Do not write your PIN down or share it with any other person.

Here's what you can do using EZBanker...

- Get account information, including current balance, last deposit, and interest paid
- Get pending transactions, recent checks and deposits, and learn if a specific check has cleared your account
- Make transfers between your checking and savings accounts, including your Christmas Club and money market accounts (telephone banking transfers from your money market account to other FPSB accounts are limited to 6 per month by regulation)
- Make loan payments and advance money from your Home Equity Line to your checking
- Report a lost or stolen checkcard
- Get bank hours and ATM location information

Convenient Banking Services, All Available at No Charge...
